Surf Instructor/Assistant job application

(fill out as much as you can in the application below.)

We will call or email you for an interview. Pay is \$40/3-3.5 hours daily at surf camp. Goes to \$50. Plus opportunity for extra money in rinsing wetsuits. 2 hour group lessons are \$40. Everything is according to paid training and our written guidelines. No previous surf instructor experience is necessary or required. Beach manager can get slightly more, but is required to work according to our methods first. At this job, there is not a lot of opportunity for "occasional days off". It requires the employee to be extremely reliable and be there on time every day. After 2 days off, we generally replace them with new instructors, though we prefer to keep trained instructors on staff. Instructors will also need to be high energy, and very professional, throughout the camp day. There is also opportunity for less than 5 days a week, but we need to schedule that in advance and keep to that schedule. We have new customers coming every day and so we need to keep everything professional and energetic.)
